The schedule of mortgage lenders to be examined between April 1, 2014 and June 30, 2014 is based upon the best information now available. Examination schedules may change; unanticipated complex issues could arise, for example, that may require more time and resources than originally allotted, thus delaying completion of an examination and delaying other scheduled examinations. The Division will publish the public MLCI ratings and make available all MLCI public evaluations for all licensed mortgage lenders subject to the evaluation. If you have any questions regarding the Division's examination schedule, please call (617) 956-1544.
